

ARE YOU A SELF-STARTER CA/CPA LOOKING TO MAKE AN IMPACT?

WANT TO WORK WITH SCHOOLS AND NOT FOR PROFITS WITHIN A CHRISTIAN ENVIRONMENT?

As a Consultant with Resolve you will find a challenge with your technical abilities, your leadership and influencing skills and you will grow in many different ways.

Resolve Consulting Group is a Chartered Accounting and Consulting firm that for over 18 years has sought to Equip, Develop and Sustain Schools, Churches and Not for Profits across Australia and internationally.

The successful applicant will assist clients across a range of areas including accounting and excel modelling, financial management, as well as providing advice to clients in the areas of governance, strategic planning, policy development and leadership. At its core the role would suit a CA/CPA with general management experience who is looking for an opportunity to develop skills across a broad range of governance and management areas in addition to their already well-developed accounting competencies.

The successful candidate will need:

- Strong organisational and planning skills
- Good Excel skills
- Good business knowledge
- Someone keen to learn new things
- To be flexible in their work
- Bachelor's degree in Business/Accounting/Economics
- Schools/Not for Profit experience is desired

95% of Resolve's clients come from a Christian faith basis and that ethos is important to us as a team.

The work will be a combination of working at home, office based and onsite at clients, so some travel is likely to be involved.
